PETITION TO WITHDRAW THE APPLICATION FROM ISSUE**UNDER 37 C.F.R. § 1.313(C)(2)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.313(C)(2), the Applicants hereby request the above-identified patent application be withdrawn from issuance to allow the Office to consider the Information Disclosure Statement ("IDS") filed with the U.S. Patent and Trademark Office on July 1, 2011.

On July 1, 2011, the Applicants previous law firm, DeMont & Breyer LLC ("D&B"), attended to the payment of the issue fee, along with the filing of an IDS. On July 13, 2011, a Notice of Non-Complaint Information Disclosure Statement was mailed to D&B. On July 27, 2011, an Issue Notification was also mailed to D&B advising that the patent will grant on August 16, 2011 under U.S. Patent No. 8,001,262.

Given that the IDS has not been considered by the Office, the Applicants respectfully request that the above-identified application be withdrawn from issuance in order to allow the Office time to consider the IDS filed herewith in connection with the Request for Continued Examination.

The Commissioner is hereby authorized to charge the necessary fee of \$200 as set forth in 37 C.F.R. §1.17(g) for this Petition, along with the Request for Continued Examination fee of \$810 as set forth in 37 C.F.R. §1.17(e) to our Deposit Account No. 50-4267. The Commissioner is hereby authorized to charge or deduct any additional fees to Deposit Account No. 50-4267.

CONCLUSION

If the Office believes any unresolved issues still exist or if, in the opinion of the Office, a telephone conference would expedite passing this petition, the Office is invited to call the office of the undersigned at 732-345-0400 so appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

Date: August 11, 2011
